

GRACE Family and Friends,

The last year has looked so different for all of us. We have all experienced loss in one way or another. As we reflect back on what we had to endure personally and professionally with our families and businesses, we are also filled with gratitude to have made it to the other side and to have a roof over our heads, businesses who didn't have to remain closed indefinitely and family and friends nearby to be there for us when we needed it most. We know this isn't the case for many in our community. We know many are still hurting from the unexpected loss of work, crippling bills, lack of resources and limited medical attention. And just when our community got closer to seeing some promise of light, a devastating winter storm took so many of our neighbors back even further.

As two women whose friendship has blossomed through serving through different organizations in our community, we are truly honored to be chairing this year's GRACE Gala on Saturday November 6th, 2021. We are more fired up than ever before to support GRACE, an organization that is dear and near to our hearts, especially during a time of dire need. We are looking forward to hosting the biggest "comeback" party you may or may not know you needed and more importantly to raise money to support the many programs that GRACE continues to provide to our neighbors and community in need.

We know we can't accomplish our big goals for this year without your support, so we kindly ask that you consider:

- Donating an auction item
- Purchase a seat/table at the Gala
- Give directly to the Family 2 Family program
- Participate by bidding in the online/silent/live auction
- Contribute a monetary donation
- Donate a unique service or experience . For example: Provide a stay at your vacation property

Please review the following attachments for more details on how you can grow with us at GRACE.

Thank you,

"The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'" Matthew 25:40

We would all give our lives for our children, give them the last crumb on our plate. Please consider extending that sense of your generosity to neighbors in need. Together, your family can directly impact another by making a donation to the GRACE Gala as a family endeavor. The best example you will provide your children is to demonstrate compassion for those less fortunate by providing much needed assistance to individuals and families in crisis.
