

Dear GRACE Friends,

Since this is the 20th anniversary of the GRACE Gala, we are embracing a 1920's theme and "roaring" into this year's campaign with plenty of excitement, delight, and jubilation!

Still, we shall always keep in mind, the seriousness of our work, and the good that comes from serving those in need. To that end, we implore you to become part of this caring mission. Your energy, activism, and aid are critical to the success of the GRACE Gala, and to the strong future of our community.

GRACE is blessed to be a part of a community that steps up when need arises. In turn, GRACE helps stabilize families, strengthens neighborhoods and, ultimately, reinforces the community.

With your support, GRACE is able to continue to serve those less fortunate right here in our own backyard. The Family-2-Family program was based exactly on this premise: One family giving so that another can succeed in building a better life for themselves and their loved ones.

Since 2018, Family-2-Family has raised more than \$150,000 for GRACE programs. Your contribution can be directed to a program at GRACE that calls out to you and your values.

Family-2-Family lets you see how your gift is immediately put to work overcoming crises, and guiding others on the path to self-sufficiency. Family-2-Family lets you—encourages you—to reach out to others in your circle and invite them to join in your mission—your shared mission—with GRACE.

For some it may be Hunger Services. Others may find GRACE Medical Services more to their liking. Still others could have a passion for Transitional Housing, GRACE Children's Services, or programs for Seniors.

Attached is information about the Family-2-Family sponsorship levels. Each will be recognized at the GRACE Gala on November 4. All are needed now more than ever. Thank you for your kind consideration—supporting GRACE may be the best work you can do for yourself and for your community.

Very truly yours,
